

The World's Military Hubs – Binding Together to Envince the New world order!

The Coherence Expression of the emerging World Order

"... there are periods and stages in the life of the aggregate world of humanity which at one time was passing through its degree of childhood, at another its time of youth but now has entered its long presaged period of maturity, the evidences of which are everywhere visible and apparent ... That which was applicable to human needs during the early history of the race could neither meet nor satisfy the demands of this day and period of newness and consummation. Humanity has emerged from its former degree of limitation and preliminary training. Man must now become imbued with new virtues and powers, new moralities, new capacities..." Abdu'l-Bahá
