

Spreading Happiness Worldwide

The primary purpose, the basic objective, in laying down power laws and setting up great principles and institutions dealing with every aspect of civilization, is human happiness. ‘Abdu’l-Bahá

One Common Happiness For All

- Four Kinds of Love and Universal Power laws
- Principle of ever-Advancing Civilization - Universal Response-receptivity
- Orientation of Power - Power as an enabling process- Universal participation
- Dimensions of Power – Civilization, Cultural and Nation States
- Building blocks of Power- Points of Similarities- Virtue Gems – Thoughts - Discourse –
- Projects - Individual Initiative (Do-it-Yourself) and Collective (Do-it-all together)
- The Pivot and global Coherence oriented Projects –Systematic Action
- Seven Candles of Unity – Global Integration Movements
- Global Culture of Learning
- Global Feedback System

Global Cultural Of Learning

- How to determine a coherent global cultural standard of what is and is not acceptable?
- Unity of religion and science
- Capacity Building
- Ridvan Festival – Global Cultural Integration
- Clustered States – Three Stages of Educational Process
- Future Orientation? Universal House of Justice- Five year plans

Our Mission

you are well aware of your mission to be a source of hope to those around you, to be channels of love and affection, to be symbols of forgiveness and patience, of serenity and strength to your compatriots, and above all, to be in the front ranks of that process by which the worldwide community has learned to build capacity for service, heighten unity, deepen understanding, and hone abilities so that purposeful action for the benefit of mankind may ensue. The Universal House of Justice

The Global Environment

Opportunities and challenges

Challenges

- Character of the Environment-
- Global social constructive environment – Power as a controlling Mechanism
- Result: Rising Fluctuation Field – Global disintegration operations

Opportunities

- Universal Transformation – Emergence of a new global reality
- Civilization states and World state formation
- Cultural Festival States and Clustered State formation
- Global Decentralization operations

Principle of Ever-Advancing Civilization and our Lines of Effort

- Accelerating learning experience
- Strengthening our volunteer teams
- Mobilizing partnerships and building alliances
- Making and sharing discourses
- Funding research into finding new pathways for coherence transfer
- Rising awareness about “Oneness of Humanity” and “One Common Happiness for all”
- Promoting Global Integration Systems- Transport, Urban, Education, Health, Economics, Tax systems, Armed Forces, Cultural, etc.
